

Appendix

Supplemental List Per Unit

General Recommended Supplemental Resources to Use Throughout this Course

3rd - 6th:

- *Geography From A to Z*
- *Living World Encyclopedia* (Usborne)
- *The Great Insect Search* (Usborne)
- *The Great Animal Search* (Usborne)
- *DK Flags of the World Sticker Book*
- *100 Facts You Should Know - World Wonders*
- *Passport* (sold very inexpensively through Rainbow Resource)
- Coloring/sticker books *God Created the Animals of the World**, *God Created the Birds of the World*, *God Created the Fish of the World*, and *God Created the Plants and Trees of the World*, all available at Master Books
- *Animals of the World* DK
- (highly recommended) *The Ecology Book** from the *Wonders of Creation* series (available through Master Books)
- *Material World*, *Women in the Material World*, and *Hungry Planet*. These three books give a fascinating behind the scenes look into many aspects of life around the world, in various cultures.

Everyone:

If you are going to invest in ONE travel DVD for your journey through this course, I recommend that you purchase the *Reader's Digest Classic Collection Journey of a Lifetime*. This 170 minute tour of the world is available at Rainbow Resource for under \$15.

*Indicates Creation Science resource.
